Barcelona may have the great Brazilian Rivaldo (pictured, left) and Real Madrid can boast Nicolas Anelka and Savio (pictured, right), but the leading clubs this season have included Rayo Vallecano, Real Zaragoza and Deportivo La Coruna. Tonight's live game from La Liga will display all the Spanish skills as well as international talent on a par with anywhere in Europe, including the Premier League.</p>  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | <b>PLAYBOY TV/<br/>ADULT CHANNEL</b><br><b>ADD-ON CHANNEL</b><br>10.00 Freeview 10.05 Most<br>Wanted 10.40 Sex under<br>Hot Lights 12midnight<br>Freeview 12.10am Wanna<br>Be a Porn Star? 12.40<br>Capital Ride 1.05 FILM:<br>Pumhouse Girls 2.15<br>French Teaser 2.30 FILM:<br>Catwalk 3.40-4.00am<br>Leather Lovelies<br>Adult Nightview is now available as<br>a TV on-demand service between<br>10.00pm and 4.00am at £3.95.<br>See channel 50 for details | <b>TELEVISION X</b><br><b>ADD-ON CHANNEL</b><br>12midnight The Ten Minute<br>Preview 12.10am<br>Eurochicks 12.20 FILM:<br>Skin II Unbound 1.00<br>The Five Minute Free View<br>1.05 FILM continues<br>1.30 Adult Feature<br>2.40 FILM:<br>Nudist Colony Vacation<br>3.50-4.00am<br>Have It Away Day<br>Adult Nightview is now available as<br>a TV on-demand service between<br>12midnight and 4.00am at £3.95.<br>See channel 50 for details |

# STAR OF THE MONTH

## LISA NICOLE CARSON

**OTHERWISE KNOWN AS** Ally McBeal's roommate and confidante, Renée, and *ER*'s Carla, mother of Dr Benton's hearing-impaired son. **AGE** 30 **BACKGROUND** Born in Brooklyn, Carson is one of four siblings. The family moved to Florida when she was 11, where her father taught journalism at the University. Carson made her theatrical debut there as a 15-year-old, in a production of the musical *Little Shop of Horrors*. After moving back to Brooklyn, Carson spent a three-year stint with The City Kids Repertory troupe, and got her big TV break when she was cast in *Divas*, a musical TV series developed by record producer Quincy Jones. When the project was put on hold, the actress took to the stage as a real-life diva – lead singer of all-black female heavy rock band Mascara. 'I'd go full-out, banging my head against the floor,' she recalls. **FAMILY** Carson is single, living in the same New York apartment block as her mother, grandmother and brother. **WATCH OUT FOR** *Aftershock: An Earthquake in New York*, a mini-series in which she plays an unlucky Manhattan defence attorney trapped in a city subway tunnel during a 'quake, with only a murderer for company.

| <p><b>SUPERBIKE: 1999 SEASON REVIEW</b></p> <p><b>SKY SPORTS 2 7.00PM</b></p> <p>A celebration of one of Britain's few world champions, Carl Fogarty (pictured), who took his fourth superbike title in 1999. The Blackburn Bullet was never seriously challenged for the title this year after taking the lead in the very first weekend of racing, and despite a disappointing British Grand Prix meeting, when he finished down the field in both races. In the final standings, the American Colin Edwards was runner-up, while Troy Corser of Australia came third.</p>  |                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                        | <p><b>PLAYBOY TV/ADULT CHANNEL</b></p> <p><b>ADD-ON CHANNEL</b></p> <p>10.00pm Freeview 10.05</p> <p>FILM: Borrowed Life, Stolen Love 11.40 Sex Court 12midnight Freeview</p> <p>12.10am Capital Ride</p> <p>12.35 Wanna Be a Porn Star? 1.10</p> <p>FILM: Topless Truck Stop</p> <p>2.25 Girl Hunt</p> <p>2.45-4.00am</p> <p>FILM: Bark Like a Dog</p> <p>Adult Nightview is now available as a TV on-demand service between 10.00pm and 4.00am at £3.95. ## Who'll be jumping for joy? United visit Sunderland's Stadium of Light

Last season's soaraway First Division champions, Sunderland, have proved themselves imposing Premier League predators. The Wearsiders have adapted to life in the top flight with great pluck and have turned in consistently good results. Sunderland have occupied the higher reaches of the table for much of the season, but this Tuesday's showdown at the Stadium of Light with title holders Manchester United will demonstrate how far boss Peter Reid has brought his team. The clash in styles between the quick passing of United (whose Andy Cole is pictured) and the gritty attack of Sunderland should produce a great contest.

## What presence

The fourteenth Dalai Lama – known by Tibetans as Kundun, or The Presence – is a monk, a politician, a diplomat, winner of the Nobel Peace Prize, and the spiritual and secular leader of Tibet, which has been occupied by communist China since 1950.

This Tuesday, The History Channel devotes a *Biography* documentary to this revered, exiled figure (pictured), in a programme that coincides with the Sky Premier debut of *Kundun* at 8.00pm. A visually striking film from master cinematic stylist Martin Scorsese, *Kundun* is an appropriately epic exploration of the Dalai Lama's eventful life.

## Heavenly love affair

In *City of Angels*, a Hollywood reworking of German arthouse hit *Wings of Desire*, Nicolas Cage plays Seth, one of the many angels who watch over the world. After observing beautiful heart surgeon Maggie (Meg Ryan) massage the heart of a doomed patient and lose confidence after he dies, Seth yearns to be near her. He makes himself visible to Maggie and so begins their heaven-sent romance.

## WORLD CUP FOOTBALL: OFFICIAL FIFA FILM - 1970 WORLD CUP SKY SPORTS 1 9.00AM, 2.30PM, 8.00PM, 1.30AM

The World Cup of 1970 in Mexico is the most wonderful example of football nostalgia. Bobby Charlton still had a little hair, Pele (left in picture) and Rivelino seemed to perform magic tricks in every game and Bobby Moore (right in picture) was a footballing statesman par excellence. This official film brings you the drama, the goals and the stories of Brazil's final victory against the brutish Italians, England's demise against West Germany and all the best bits in between.

## LIVE FA PREMIER LEAGUE: COVENTRY CITY V ARSENAL SKY SPORTS 1 5.30PM

Boxing Day, bad weather, muddy pitches – not the kind of conditions that thoroughbred contenders like Arsenal will look forward to, especially as the venue for their match today is Highfield Road where Gordon Strachan's Coventry City are known to lift their game. The introduction of Irishman Robbie Keane (pictured, left) has helped revitalise the Midlands, while the eyes of the crowd will be on the fabulous Nwankwo Kanu (pictured, right) for the Gunners who can turn any situation into goals.

John Barnes has brought in Ian Wright to give Celtic an English lift, while Finnish striker Jonatan Johansson (pictured, right) has impressed for the Gers. Today's holiday clash for bragging rights in Glasgow at the end of the millennium will be fast-paced, as Scotland's top two spar for an opening in the Premier League.</p>  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | 10.00pm Freeview 10.05 FILM: Scoring 12midnight Freeview 12.10am Adult Feature 12.20 Premier Strip 12.35 FILM: Dangerous Rapture 1.45 Totty Try-Outs 2.00 FILM: Amorous Liaisons 3.20 Adult Feature 3.40-4.00am Girls of Sunset Strip<br>Adult Nightview is now available as a TV on-demand service between 10.00pm and 4.00am at £3.95. |            |  <p>Every Wearsider has been praying for this moment for years – Sunderland v Manchester United in the Stadium of Light, with the Premier League rather than relegation at stake. United are still the class act of the division and can call on any number of stars, including Dwight Yorke (pictured, right).</p>  | ## LIVE FA PREMIER LEAGUE: CHELSEA V SHEFFIELD WEDNESDAY SKY SPORTS 1 7.00PM

The Blues at the Bridge are not always the overwhelming favourites they should be, so today's visit by Sheffield Wednesday to Chelsea's fortress is unlikely to be the walkover it looks on paper. If Gustavo Poyet (pictured, left) leads the Chelsea attack then the spectacular is always on the cards, but Danny Wilson's hard-working team will still be desperate for points and will look to blunt such skills. Wednesday's own foreign force should come from Niclas Alexandersson (pictured, right).

## LIVE DARTS: WORLD CHAMPIONSHIP SKY SPORTS 3 1.00PM, SKY SPORTS 2 7.00PM

Darts is enjoying a bit of a revival these days, with a new breed of slimmed-down champions emerging. Phil 'The Power' Taylor (pictured) defends the world title he has won every year since 1995 and – along with the old names of Eric Bristow, John Lowe and Cliff Lazarenko – are challengers like fellow Brit Peter 'One Dart' Manley and Canadian John Part. The astonishing prize fund totals £135,000 – not bad for a pub game. The Circus Tavern in Purfleet, Essex is the venue.

*However, it was only when listening to your questions that we really knew we had all the answers to your vacuuming needs.*

**Q** I find stairs a real chore when vacuuming. How does the Oreck make vacuuming stairs any less tricky?

**A** Weighing only 8½ lbs the Oreck is easy to lift up stairs and the extra long 30ft cord means you'll have no problem vacuuming a whole flight of stairs in one go. For the really tricky nooks and crannies and in-between banisters etc. the FREE lightweight compact canister has the power and accessories for an easy clean.

**Q** I usually have to wait for my husband to do the vacuuming as dust and dirt can sometimes irritate my asthma. Does the Oreck do anything to make vacuuming easier for me?

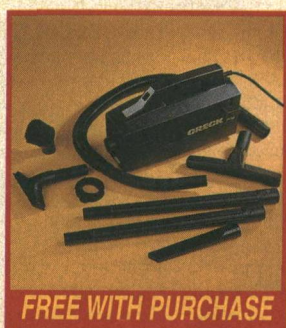

**A** Asthma can be irritated for a variety of different reasons but if you think that yours would be less irritated if there was less dust and dirt then the Oreck could certainly go some way towards helping. The unique hypo-allergenic Celoc air filter system traps and neutralises 99.4 % of dust mites, pollen and other microscopic irritants. In addition the Compact Canister that arrives FREE when you purchase the Oreck XL has 9 attachments specifically designed to ensure that you can reach every speck of dust.

**Q** Arthritis in my hands means that I sometimes find vacuuming painful. How would the Oreck help?

**A** The lightness of the Oreck vacuum means that it can be used without unnecessary strain on joints or muscles. The Oreck has also been designed with a special "Helping Hand" handle that effectively eliminates any need to bend the wrist or squeeze the hand – a real comfort to those who suffer from arthritis.

**Q** Throughout my home there are a variety of different surfaces. For example I have thick rugs on wooden floors. How would the Oreck accommodate this?

## BEST ON SKY: AUSTRALIA V SOUTH AFRICA - CRICKET WORLD CUP SKY SPORTS 1 12.30PM, 4.00AM, SKY SPORTS 3 3.30PM, 7.00PM

The past 12 months have included some of the century's most incredible sporting moments and here's one of them. How did Australia win this World Cup semi-final back in June? The Aussies had only scored 213 and the Protea closed in remorselessly. Then, in the last over with South Africa's Lance Klusener at the wicket hitting the ball further than the eye could see, his partner Allan Donald only had to run a single. Instead Donald ran himself out. A great two hours of highlights.

## DREAM TEAM STILL SCORES WITH VIEWERS

CONGRATULATIONS to Sky One on their brilliant series, *Dream Team*. I became hooked on the show in May, with the second season ending in the dramatic shooting. I spent the whole summer wondering who took the bullet, did they die and what would Jerry do if his wife had been killed. My questions were answered with the new series in September. The wave of emotions felt while watching *Dream Team* have been incredible: the sadness about the death of John Black; the ecstasy of Harchester United winning the FA Cup; and the despair of the suspected loss of four team members in a tragic plane crash. Well done, Sky, and let's hope for many more excellent episodes to come.

Louise Crane  
e-mail

● **Congratulations, Louise, you've won our £50 prize!**

WHERE can I purchase Harchester United sportswear – *Dream Team* sweatshirts, etc?

Regan Smith, e-mail

● **Watch this space, Regan! Sky tells us they are in negotiations to get Dream Team sportswear on to the high street. Keep an eye on Sky's website for more news: [www.skynow.co.uk](http://www.skynow.co.uk)**

MY SISTER and I are, or were, huge *Dream Team* fanatics until the awful, boring third series appeared on our screens. We were both eagerly anticipating the conclusion to the nail-biting cliffhanger, but with the death of John Black and the disappearance of Fletcher, Ian Coates and Alex Wilkinson, the show has been lacking the electrifying atmosphere that there used to be. I hope that *Dream Team*'s producers find some way to rescue the show from the depths and make it, once again, a glorious piece of weekly TV viewing.

Bewitched: hopes are high that Living will conjure up a second series of the popular show *Charmed*

## WORKS LIKE A CHARM

HAS A second series of the brilliant show *Charmed* been made? If so, are Living planning to air it, and if they are, when will this be?

Gareth Stenson  
e-mail

● **A second series of Charmed has indeed been made and is currently airing in the States. Living has expressed an interest in acquiring this series, but nothing has yet been confirmed.**

## EQUAL FIGHTS

ONE THING that annoys me about *The Jerry Springer Show* is the sight of a 30-stone woman attacking a ten-stone man, who is yelled at by Jerry Springer and the bodyguards because he tries to defend himself. In addition, the audience crucifies the poor man. Sexual equality is surely, or should be, about men's rights as well as women's. Women have demanded for years that they should have the right to emulate men. They should, therefore, take the rough with the smooth. When actor Sean Connery said some women asked to be slapped, there was a public outcry. If a woman had said some men asked to be slapped, nothing would have been said. Where is the sexual equality in that?

## A DEVIL OF A DISAPPOINTMENT

PAUL MCCARTNEY, one of the greatest song writers of this century, releases a new album called *Run Devil Run*. VH1 schedule a programme of the same name (14 October) and I and many other fans expect a 60-minute documentary. What do we get? Sir Paul talking for a few minutes, repeated again and again, in between old videos of his past hits. It's just not good enough!

Graham Knight  
West Sussex

● **VH1 replies: 'VH1 agrees that Sir Paul McCartney is one of the greatest song writers of this century and the hour-long programme Run Devil Run was to demonstrate this. At the time of Cable Guide's publication, we were due to interview Sir Paul about his latest album. Unfortunately, his extremely busy schedule prevented it. Rather than let down viewers completely, we used interview snippets and videos to put together a show to keep fans happy in the meantime. We still hope to interview Sir Paul in the near future, to talk in depth about his new album and his recent performance at the P.E.T.A awards in America.'**

## IS POKÉMON PORTRAYING ANIMAL CRUELTY?

I'M AMAZED at J Hurtault's letter praising *Pokémon* [September Viewers' Views]. The idea of capturing animals and training them to fight is distasteful. In real life we already have the illegal and cruel sports of cockfighting and dogfighting. Do we really need cartoons promoting these types of activities to our children? I find the TV show *Shadow Raiders* far superior to *Pokémon* in every respect. It has excellent storylines and a vastly superior quality of production using computer graphics. Let's have more of this and give kids quality TV.

## IS DALLAS DEAD?

EVERY DAY I set my video without fail – yes, I admit it, I taped *Dallas*. I couldn't do without my daily 'doings of the Ewings'. I'm a huge *Dallas* fan and I'm in mourning since the series ended. Please tell me if there are any plans to bring this fantastic series back to UK Gold in the future, or will I have to wait another couple of years? Please put me out of my misery.

Vienda Duke  
e-mail

● **Unfortunately, Vienda, UK Gold have told us they have no plans for Dallas's return in the foreseeable future.**

## THE ANGEL SHOWS UP LATE

IN AMONG the millions of cable shows that promote immoral values and standards lies one programme that is above any other. *Touched by an Angel* has to be the greatest programme ever made. It is great to watch, the actors are brilliant and there is a lesson to be learned at the end. I always watch it on the Disney Channel, even though it's shown at 11.00pm. Why can't these wholesome programmes be shown at an earlier time when more people can watch? It's absolutely massive in America, and I'm sure it can be the same here if shown earlier.

Paul Brooks  
e-mail

● **Disney Channel replies: Touched by an Angel is a popular series on Disney Channel. However, there are certain episodes that contain sensitive and slightly more adult-oriented themes. The Channel is a child and family specific service. This late evening slot allows for programming that may be more appropriate for an older audience or where any child viewer is likely to be accompanied by an adult.'**

'Viewers' Views' may be edited for length.
